LEADING MEDICAL JOURNAL REPORTS PROOF OF *Amazing* NEW MEDICATED FORMULA FOR PIMPLES

ACNE, TEEN-AGE PIMPLES, SURFACE SKIN BLEMISHES and IRRITATIONS!

DOCTORS IN ACTUAL CLINICAL TESTS* PROVE SUCCESS OF

AMAZING DOUBLE-ACTION SKIN TREATMENT THAT CONCEALS AS IT MEDICATES

This skin formula does wonders for my face and I wouldn't be without it. —L.E.C. Durtle, Nebr.

I had tried everything; nothing did as good as your product. —T.S. Redondo Beach, Calif.

Your Scope Products have helped my skin tremendously. —A.M., Baltimore, Md.

I was surprised and delighted with the results. —M.A. Elwood, Ind.

Actual clinical tests conducted by leading doctors have proven that an amazing, new-type medication helps clear up acne blemishes while it covers and hides embarrassing pimples! In the many cases tested by the doctors, there were a mixture of men, women and children, White and Negro. Some with recent pimple eruptions and others with acne troubles of many years. The results were:

I am very happy with your formula. It is very effective. —E.R., Calexico, Calif.

Since I am not allowed to use soap, I found out that this is the best product I ever used.—D.R., Linden, N. J.

I would like to compliment you ... This product has done wonders for me.—R.A.G., Victoria, B.C., Canada

100% SATISFACTORY IN CLINICAL TESTS

*45% were COMPLETELY CLEARED!
38% were DECIDEDLY IMPROVED!
17% were IMPROVED!

NOW THE SAME TYPE OF MEDICATION USED IN THESE CLINICAL TESTS IS AVAILABLE TO YOU!

SCIENTIFIC RESEARCH REVEALS NEGLECT CAUSE OF MANY SKIN TROUBLES

Skin Specialists and Medical statistics tell us that broken out skin usually occurs from adolescence and can continue on through adulthood. Adolescents often carry these scars throughout their life. Many never get over the "feeling of embarrassment" and are always conscious of their appearance and complexion. Persistent cases of "bad skin" sometimes continue on through adulthood. In this stage of life, the responsibilities of earning a living and meeting people are essential if you are to climb the ladder of success in your job. It is doubly important to give your skin problems *immediate care*. Physicians state that to neglect your skin may prolong your skin troubles and make it more difficult to clear up. And, there is no better time to get pimples under control than NOW!

DOCTORS RECOMMEND THIS TREATMENT

Physicians report two important ways to control this condition: First, they prescribe clearing the pores of clogging matter; and second, inhibit the excessive oiliness of the skin.

To help overcome these two conditions, Scope Products' research make available two scientifically-tested formulas that contain clinically proven ingredients. The first formula contains special cleansing properties not found in ordinary cold creams or skin cleansers. Thoroughly, but gently, it removed all surface scales, dried sebaceous matter, dust, dirt and debris—leaving your skin wonderfully soft, smooth and receptive to proper treatment. The second formula acts to reduce the excessive oiliness produced by the overactive sebaceous glands.

COVERS UP UNSIGHTLY BLEMISHES WHILE MEDICATION DOES ITS WORK

To remove the immediate embarrassment of skin blemishes, Scope Medicated Skin Formula helps conceal while it medicates! Unlike many other skin preparations, Scope Formula has a *pleasant fragrance!* Imagine! The moment you apply the Scope Treatment to your skin you can instantly face the immediate present with greater confidence in your appearance. At the same time, you are sure that the medication is acting to remove surface skin blemishes and helping to prevent new ones. This "cover-up" action gives you peace of mind. No longer need you suffer from the feeling of self-consciousness or inferiority. Make this your first step in the direction of a clear complexion and skin that's lovable to kiss and touch!

DON'T LET UGLY BLACKHEADS BLEMISH YOUR PERSONALITY

If you want help in getting rid of those ugly Blackheads, you need SCOPE'S Amazing DOUBLE ACTION Skin Formula. See how fast and easy it aids in clearing the skin of those unsightly blackheads. It loosens those pore-clogging impurities and softens the hard deposits underneath and around the blackheads, making their removal simple and effective. Scope Medicated Cream, with its successfully tested ingredients, instantly and completely covers up all skin irritations, leaving your skin clearer, smoother, and more attractive looking.

DON'T SPREAD INFECTION BY SQUEEZING PIMPLES AND BLACKHEADS

Clinical reports state that many people squeeze out pimples and blackheads with their fingers. This is unsanitary and may lead to the spread of the infection. This abuse may also inflame your skin and leave red welts and ugly looking blotches and bumps. As a result your face may be covered with pimples and blemishes. Soon you'll be sorry you ever squeezed or picked at your skin by using this unscientific method to get rid of skin eruptions.

SATISFACTION GUARANTEED OR DOUBLE YOUR MONEY BACK

We make this guaranteed offer because so many users of Scope Medicated Skin Formula have written us telling how it helped to clear up their complexion. We want you to try the Scope Double Treatment at *our risk*. Just a few minutes of your time each day can yield more gratifying results than you ever dreamed possible! If you are not delighted in every way by the improved condition and general appearance of your skin IN JUST 10 DAYS, simply return the unused portion and we will refund not just the price you paid — but DOUBLE YOUR MONEY BACK! You have everything to gain ... *and we take all the risk!*

SKIN DOCTORS STATE THAT TO NEGLECT YOUR SKIN MAY PROLONG YOUR COMPLEXION TROUBLE AND MAKE IT MORE DIFFICULT TO CLEAR UP!

DELAY MAY BE HARMFUL—
Send for Scope Medicated Skin treatment with its special "cover-up" action!

SURE, QUICK RESULTS—WORKS LIKE MAGIC!

WEB OF LOVE

"MARSHA!" Mrs. Grant called up to her daughter. "Lenny is here."

"All right, Mother," Marsha answered rather disinterestedly. "I'll be down shortly."

Marsha looked at herself in the mirror and wondered why she was bothering anyway. It was probably a hopeless case and not worth all the time and dates she was wasting. Lenny was all right, she thought. He'd probably be a good date for Carol. But his older brother, Ross, was definitely more her type . . . at least *she* thought so. Her dream was coming to an end, though, and it was time to give it up. Ross had changed to an out-of-town college this year and her chances of seeing him were pretty slim. "Maybe I'll just push him off on Carol," she mused. "That way I'll keep some small finger in the pie."

Lenny, waiting in the Grant living room for Marsha, was being entertained by Carol. When the telephone rang and Carol excused herself to answer it, he thought, "What am I doing taking out Marsha when it's Carol I'd really like to date? And how can I tell that to Marsha? I could say, 'Marsha, I really like Carol better than you, so I'm giving you up!' No . . . that wouldn't do. 'Marsha, you're really a little too old for me . . . I think I'll give Carol a break!' No . . . not that. I'll just have to think of something. I'll ask Ross when he comes home for Christmas vacation. He'll have an idea."

Carol, accepting a date on the telephone, was thinking to herself, "I'd really rather go out with Lenny. I wish Marsha would give him up . . . or could I manage to break them up! That eternal triangle again . . . only they don't know it's a triangle."

Marsha forced a smile and skipped downstairs to greet Lenny. They went to a movie and then for a soda. On the way home, Lenny reminded her of their date for the following Saturday night and for the annual Christmas dance at the school a week later. "Would your sister Carol like to join us Christmas eve?" he suggested casually. "She's a nice kid and I'm sure I could get her a date. It would be a nice foursome."

"Why, that's a wonderful idea, Lenny. I'll ask her," Marsha said as sweetly as possible. "Pairing those two off is going to be easier than I imagined," she thought to herself.

The two girls were only a year apart in age. Marsha was seventeen and a senior at Lawrenceville High School, and Carol was a junior there. Both were attractive and popular, but unless you were in the know you would never guess they were sisters. Marsha had long blonde hair, bright blue eyes and a pink complexion; Carol had short, curly dark hair, grey-green eyes and a white skin.

For the next week, things were much more cheerful around the Grant household. Mr. and Mrs. Grant couldn't help but notice the change in atmosphere, though they were not sure what the cause was. "The girls are being unusually polite to one another," Mr. Grant said to his wife one evening when they were getting ready for bed. "But somehow I can't help but feel that we're all treading on very thin ice."

"Yes, I know what you mean," Mrs. Grant agreed. "Well, let's enjoy peace while it lasts."

At the Nelson household, Lenny was anxiously awaiting the homecoming of his brother to help him solve his love problems. The Wednesday evening when Ross arrived, Lenny captured him in his bedroom, locked the door, and presented his dilemma. Ross agreed it was a problem and wondered if Lenny couldn't just have a fight with Marsha, break off, and then call Carol for a date, but Lenny thought that was pretty crude.

"Marsha's really a very nice girl," Lenny said. "I wouldn't want to hurt her. I like her . . . I just like Carol better. You'd like Marsha, too, if you met her." That gave Lenny an idea. "Say, Ross, why don't *you* take Marsha out, make her fall for you so she'll give me up, and then, supposedly with a broken heart, I call Carol to mend it."

"Not so fast, Len," Ross said. "I'm not interested in any high school kid."

"But, she's a senior . . . and you're only a college sophomore. And she's awfully nice . . . and pretty, too. Do you have any special date plans for the holidays?"

"No," Ross admitted slowly.

"Then, come on. What have you got to lose?"

"Well, OK. But I reserve the right to throw in the towel at any time if I so choose."

"All right, all right. How will we began?"

"You say you have a date with Marsha this Friday night. You'll call in the afternoon and say you're sick and if she doesn't mind, *I'll* take her out. That's the first step. But make sure that she accepts. Then, at the Christmas dance, at the last minute you couldn't get a date for Carol, so I come to the rescue. I'll try to keep Marsha occupied while you make time with Carol."

"Sounds swell, Ross. What then?"

"Well, we'll see what the situation is after the dance. But, remember . . . I can change my mind and no hard feelings."

"Sure, Ross."

When the telephone rang that Friday afternoon at the Grant house, Marsha answered it.

"What, you're sick? Gee, I'm sorry, Len. Ross wants to come over instead? S-sure, it's OK. Tell him I'd be happy to go out with him," Marsha said.

When she hung up, she danced up the stairs to her room singing, "Ross is going to take me out . . . Ross is coming over for me!"

Carol poked her head out of her room and said, "What was that, Marsh? I thought you were going out with Lenny tonight?"

"Well, I was, but he's sick, and his wonderful, handsome, older brother, Ross, is coming over in his place. Come on, help me choose a suitable outfit for this occasion."

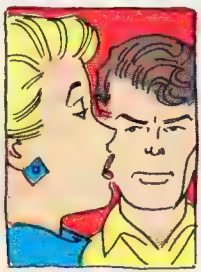
"You seem awfully excited over a substitution," Carol said suspiciously.

"I am. I guess I can tell you, Carol. Lenny's very nice, but it's Ross I really like. That's why I've been going out with Lenny . . . to be around when Ross got home from college. You know what I mean."

"You really mean it?" Carol said. "*I've* got a confession too . . . I like Lenny. I didn't say anything because you were going out with him and I thought you liked him."

"Gee, why didn't you? I never guessed. Maybe tonight will be our chance. If I can get Ross to like me, I'll swing a date for you with Lenny. You can have him anyway, but it'll be a lot easier if Ross likes *me*."

Together they tried on dress after dress, deciding that one



was to dressy, one the wrong color, one too young. They finally settled on a pink sweater set with a full brown tweed skirt, and a brown belt of Carol's to match brown suede shoes.

Ross rang the bell, and Mrs. Grant opened the door and showed him in. Neither girl was in sight. Upstairs, Marsha, with Carol's help, was putting on the finishing touch . . . a dab of her mother's best perfume. She sent Carol down as scout to prepare the way for her grand entrance.

Ross, seeing Carol enter the living room and thinking to himself, "Hmm, she's cute. This may not be half bad," was caught off guard when she said, "Hi, I'm Carol. Marsha will be down in a moment."

Marsha appeared a few minutes later with a nonchalant, "Hello, Ross. It's so nice to see you. And it's very nice of you to pinch hit for Lenny."

Ross answered sincerely, "The pleasure is all mine."

The evening proved a big success, and Ross said that he certainly hoped he would see Marsha again.

The next step according to plan was to bring Ross along as Carol's date for the Christmas dance. The girls were overjoyed when the suggestion was offered, and they eagerly accepted . . . though they were careful not to show all their enthusiasm and overplay their hand.

As arranged by the boys, Ross kept Marsha busy and Lenny occupied his time with Carol; and as arranged by the girls, Carol gave her attentions to Lenny and Marsha played up to Ross.

The four of them had a wonderful evening. When they returned home to the Grant house, Ross said, "How about the four of us repeating this on New Year's Eve?"

The girls eyed each other and smiled. Lenny winked at Ross who added, "But what say we change partners?"

A WARD GREEN EXCLUSIVE

NOW NEW V DESIGN . . .

INSTANTLY FLATTENS THE FRONT BULGE

Featured Only in NEW

Slimtex

Just Designed *Especially* for You

Scientifically Firms Back, Holds in Your Abdomen, Slims the Waistline . . .

Slimtex with its revolutionary new design flattens out the waist and abdomen evenly and pushes the bulge back in where it belongs and not from one place to another. The tummy requires more hold-in in some areas and less in others. We designed Slimtex with variable stretch V panels—each having a different stretch to take care of the needs of each part of the abdomen. Those areas requiring more hold-in get a firmer V panel — those requiring less get a more flexible V panel. The result is an exciting and amazing new belt which for the first time really gives you a truly flat front, nips the waist and holds the back together firmly, but without constriction. You'll feel so comfortably light on your feet.

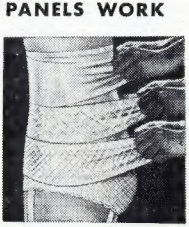
BUY DIRECT FROM ORIGINATOR

SAVE UP TO $7 — *Order By Mail, Send Coupon*

New Slimtex is made only of the same fine materials that go into $12.00 to $30.00 foundations — but because you buy direct from the originator — you pay only **$4.98.** Slimtex is not sold in stores, so send your order today. Remember our famous money back guarantee assures that you may wear Slimtex 10 days and after that time if you're not satisfied, no matter what the reason, you may return it for a full refund of the purchase price. Millions have shopped with confidence this way and have not been disappointed and we guarantee you'll be satisfied too!

● HOW THE VARIABLE STRETCH V PANELS WORK

Imagine 3 pair of hands (see illustration) each holding a V shaped panel stretched across your abdomen. One pair of hands pull harder where there is more bulge. A second pair of hands pull another panel but less firmly. A third pair of hands now pull on the third panel they are holding but these pull just hard enough to even out what the other hands have redistributed.



FEEL WONDERFUL • YOUR OWN SELF AGAIN

You now feel wonderful — your own self again. Back, abdominal bulge and waist are properly and firmly but comfortably held-together. You feel so good and look inches slimmer. Once you slip into a Slimtex you'll never wear another belt. No steels, bones or buckles.
